Dorian Gray (112 min.)

A 2009 British fantasy drama adapted from Oscar Wilde's 1890 classic novel The Picture of Dorian Gray, it tells the story of a young man who manages to keep his youthful beauty eternally, though paying a high price. This version is directed by Oliver Parker and stars Ben Barnes as Dorian Gray and Colin Firth as Lord Henry Wotton.

PLOT
When a naïve young Dorian Gray arrives in a train to Victorian London, he is swept into a social whirlwind by the charismatic Lord Henry Wotton, who introduces Gray to the hedonistic pleasures of the city. Lord Henry's friend, society artist Basil Hallward, paints a portrait of Gray to capture the full power of his youthful beauty. When the portrait is unveiled, Gray makes a wild wish: he would give anything to stay as he is in the picture.
